## AMUSEMENTS

### "THE YELLOW TYPHOON" AT THE BUTLER TODAY

The special attraction at the Butler today will be Anita Stewart, in Harold McGrath's thrilling story "The Yellow Typhoon," an affair of a naval officer and two women with the scenes of action scattered from Washington to Manila. Some exciting too, believe us!

It is the story of two sisters, one selfish, self-centered, who is willing to sell her soul—and does sell it—for the pleasures of life, who leaves a wake of wrecks of men in her path, willing to do anything to satisfy her lust of pleasure and excitement, the other fighting her own sister for her country and home. The picture carries you into every vicissitude of life, the simple home, the purity and sweetness of people of fine ideals, and it carries you through the sordid though brilliant life of those who live only for pleasure and excitement. It is a picture with action in every foot. There is not a single moment when you are not kept on your toes with suspense and wonder as to what is going to happen next. It is the story of a woman who lived for excitement.

Tomorrow, the film debut as a star of Justine Johnston, a famous Follies beauty, who has all New York at her feet, and proclaimed by artists and theatregoers as the most beautiful girl in America. She will be seen in a thrilling crook play, "Blackbirds."

## GERMANY ENCOURAGING EMIGRATION TO MEXICO

MEXICO CITY, Dec. 13.—Germany is said to be encouraging emigration to Mexico, but in a very quiet way. Great numbers of German immigrants are entering Mexico to engage in farming.

A German colony is being formed in Chiapas. It is suspected that Germany hopes to build up great colonies in Mexico similar to those established in Brazil.
